ABOUT PERSESSI

Persessi, LLC is a Service-Disabled Veteran Owned Small Business (SDVOSB) and Woman Owned Small Business (WOSB). Founded in 2017, Persessi is a dynamic company specializing in optimizing mission-critical operations such as transition services. Persessi has developed expertise in the areas of information technology, transition assistance services, training management and delivery, program and project management.

Persessi is comprised of an exceptionally highly qualified diverse group of experts and engineers who have the knowledge and skills to fulfill Training Development and Delivery, Staff Augmentation, Information Technology and Program/ Project Management requirements for Local, State and Federal contracts.

CORE COMPETENCIES

Personnel

Staffed multiple sites within the US on Army SFL-TAP Services Contract (Fort Polk, Fort Gordon, Hunter AAF, Fort Knox VC). Fulfilled the following Labor Categories with documented CPAR's: Career Counselors, Financial Counselors, Administrative Specialists, Contract Installation Managers and Liaison Officers

Support Services and Training

Persessi supported the career readiness of soldiers through employment workshops, employment assistance counseling, providing career resources, and employment coaching.

Information Technology

Persessi has built it's credibility with providing Information Technology for Local, State and Federal Government agencies and Government contracting companies that support the Federal Government. We offer decades of expertise in Project Management, Network Engineering, Video Surveillance, Network Surveillance, VOIP and Video Conferencing.
